Scorenet Corporation in Japan join the WCGC

World Corporate Golf Challenge (WCGC) are pleased to confirm the newest license holder to join the world's largest corporate golf event. Scorenet Corporation from Japan will be running a WCGC National Qualifier to launch the event. The winning corporate team will go on to represent their company at the 2018 World Final.

Scorenet was formed in 1995 providing golf concierge service and golf event planning. Golf concierge service provide tee time booking of private clubs to credit card holders such as Visa platinum card, Liners club. Scorenet have been organizing the biggest corporate golf challenge in Japan every year Since 2002, and over 700 corporate team with 3600 people participated in this events in 2016.

Scorenet Corporation's Managing director, Mr. Takahiro Nomura said, "We are delighted to be involved with the WCGC which is a superb concept where amateurs can compete by representing companies, and has developed business relationships through the golf game. Becoming part of a worldwide event of WCGC, a winner of national corporate golf challenge will be entitled to world final as Japan's representatives. My team have a wealth of knowledge and expertise that will ensure the WCGC is a huge success in Japan."

Jose Guerra, WCGC Chairman said, "We are happy to welcome Scorenet Corporation as the licensees of the WCGC in Japan. They have recognised the potential of the WCGC and we are in no doubt their expertise, linked with some key partnerships, will ensure the WCGC is a huge success in Japan."
