How It Works (Numbered Tickets)

- Tickets distributed at 12:00 → Sales start immediately in ticket order.
- Entry may be regulated during peak hours. Please follow staff guidance for lining up.
- Overnight/early-morning queuing is not allowed out of consideration for neighbors.

Product Highlights

- Anniversary-only make — a special specification by HASE Glass Studio; each piece shows unique character.
- Refined writing feel — a smooth stroke unique to glass pens, with a luminous “Akari” nuance.
- Collectible — commemorative edition details (e.g., engraving/packaging; subject to actual product).

Visitor Notes

- Purchases for resale are not permitted.
- Due to the nature of glass, bubbles and color variations may occur within acceptable ranges.
- Detailed address is provided via reservation/contact upon request.
